Determination of Arson Accelerants by GC-MS in an Instrumental Methods Course. Instrumentation and analytical methodology in forensic ... The proposed methodology and instrumentation may allow widespread adoption of FUE. OBJECTIVE To present the SAFE (Surgically Advanced Follicular Extraction) System, a new methodology and novel instrumentation for FUE. This article presents the efficacy of this methodology and addresses patient candidacy. New Methodology

and Instrumentation for Follicular Unit ... There are a number of approaches used in this research method design. The purpose of this chapter is to design the methodology of the research approach through mixed types of research techniques. The research approach also supports the researcher on how to come across the research result findings. In this chapter, the general design of the research and the methods used for data collection are ...
