phases of economic growth and decline. It's another way to describe the business cycle or economic cycle. According to the Federal Reserve Bank of Richmond, these phases are inevitable. 1 The more you understand their phases, causes, and history, the more you can protect yourself from their effects. Boom and Bust Cycle: Definition, Causes, History William and John have a hypothesis: three common themes to financial investment bubbles. They set on proving that theory based on a dozen or so boom and bust cycles over the course of three centuries. It is an interesting journey and provides illuminating insights, but it reads at times a little too repetitive. Boom and Bust: A Global History of Financial Bubbles ... In The New Great Depression,
