Those who want to buy a business in California are drawn to this western state for more than just the sunshine. The Golden State has a GDP of more than \$2.3 trillion, growing at about 3% per year. California is home to millions of small businesses, some of the most potentially lucrative being spas, salons, and retail shops.

In some cases, you may also find free books that are not public domain. Not all

free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

.
