leadership teams in churches and non-profits," the text (p.17) is most effectively leveraged when a leadership team works through it together since each chapter is filled with practical wisdom and concludes with multiple discussion questions. Amazon.com: Customer reviews: Cracking Your Church's ... Primary Audience – Pastors and Church Leaders. Review of Cracking Your Church's Culture Code by Samuel R. Chand. All in all, I appreciated Dr. Chand's book. As you can tell from the title, every church/organization has its own culture that must be understood before strategic planning then implementation can take place. In some cases, you may also find free books that are not public domain. Not all free books are

copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

.
