Hayek made a splash with his book The Denationalisation of Money (DNM). Prior to this work, even some of the most prominent free market thinkers — such as Milton Friedman — believed

that the supply of money should be left to the government. But it was this book that really opened the door to the idea of private ... The Digital Denationalisation of Money - AIER Denationalisation of Money F. A. HAYEK The government monopoly of money must be abolished to stop the recurring bouts of acute inflation and deflation that have become accentuated during the last 60 years. Abolition is also the cure for the more deep-seated disease of the recurring waves of depression and unemployment attributed to 'capitalism'. INSTITUTE OF ECONOMIC AFFAIRS — Institute of Economic Affairs The Denationalisation of Money is a 1976 book by Friedrich Hayek, in which the author advocated the establishment of competitively issued private moneys. In 1978 Hayek published a revised and enlarged edition entitled Denationalisation of Money: The Argument Refined, where he speculated that rather than entertaining an unmanageable number of currencies, markets would converge on one or only a limited number of monetary standards, on which institutions would base the issue of their notes. New ... This sort of privatization of money is precisely what F.A. Hayek argues for
in his masterful Denationalisation of Money. Denationalisation of Money: The
Argument Refined (LvMI ... Synopsis In this groundbreaking work, first published in
1976, Friedrich von Hayek argues that the government monopoly of money must
be abolished to stop recurring bouts of inflation and deflation. Abolition is also the
cure for the more deep-seated disease of the recurring waves of depression and
unemployment attributed to 'capitalism'. Denationalisation of Money: The
Argument Refined (Hobart ... Privatization (or privatisation in British English) can
mean different things including moving something from the public sector into the
private sector. It is also sometimes used as a synonym for deregulation when a
heavily regulated private company or industry becomes less regulated.
Government functions and services may also be privatised (which may also be
known as "franchising" or "out ... Privatization - Wikipedia Hayek denationalisation
of money believed everyone better off if people could pick among different types
of private money instead of using gov issued money. Public would pick currencies
which were stable in value and did not change price.
