At Grove City College, most pre-health students pursue majors in the Departments of Biology, Chemistry, or Exercise Science and Athletics. Some students choose non-science majors but take the foundational courses required for acceptance to most health profession programs. Authorama offers up a good selection of high-quality, free books that you can read right in your browser or print out for later. These are books in the public domain, which means that they are freely accessible and allowed to be distributed; in other words, you don't need to worry if you're looking at something illegal here.
