Manual Hello all I have an issue with
my 2016 gti 130. The ski has not
been started since july and it's the
middle of December. I just brought
it home from my place at the lake
to store it for the winter and
decided to start it up and noticed
that soon as it started for about 10
seconds or so a wrench indicator
stayed on and maintenance
required scrolled across the display
before turning off. 2016 gti 130
