provision world-wide. An International Handbook of Tourism Education | ScienceDirect This article critically analyses the significance of quality management within the context of managing a tourism organisation. The article starts with discussions about the importance of managing quality in a tourist organisation, followed by a brief analysis of challenges in ensuring a high quality. Moreover, specific strategies are also described in this paper that tourism organisations can use in order to improve quality management. Issues of Quality in Managing a Tourism Organisation Quality of life (QoL) has become a topic of interest in the tourism literature over the past two decades. Although there is no consensus on the conceptualisation of QoL, the latter is
