Hospice Aide On The Go Hospice Aide On-the-Go In-Service Series, Volume 3, is an excellent primer for training hospice aides in developing their competence in caring for a wide range of dying patients and offering support to their families. It offers practical and clinical advice that enables aides to increase their abilities in a thoughtful and clear manner. Hospice Aide On-the-Go In-Service Series, Volume 3 Beacon Health's new "Hospice Aide On-the-Go™ In-service," Volume 2, delivers the training they need. Each lesson focuses on care for the terminally ill hospice patient. Developed from our widely popular series for home health, this new collection of lessons for hospice

aides provides authoritative, comprehensive, yet easy-to-understand training for self-study or the classroom. Hospice Aide On-The-Go In-services Series, Volume 2, Issue ... A hospice home health aide, also commonly referred to as an HHA, is trained to provide personal care to patients in their own home environment. Home health aides may be hired privately by patients or their families or provided directly by a home health or hospice agency. Home health aides from hospice and home health agencies may visit patients one to three days a week to provide thorough care. 1 They interact with the patient and perform some variation of the above services during such ...
