Abstract: The following review of the cultural diplomacy practices of other countries should prove informative and suggestive when compared to those of the . This comparison focuses on cultural diplomacy philosophy, priorities, programs, structure, funding, and scale of operations ... International Cultural Relations: A Multi-Country ... Culture and International Relations contextually re-examines the history of international relations in order to explore how the discipline has imported and employed the concept of culture. The author challenges the notion that IR has only been interested in culture since the end of the Cold War by tracing

different understandings of culture throughout its history. Culture and International Relations | Taylor & Francis Group Cultural relations are reciprocal, non-coercive transnational interactions between two or more cultures, encompassing a range of activities that are conducted both by state and non-state actors within the space of cultural and civil society. The overall outcomes of cultural relations are greater connectivity, better mutual understanding, more and deeper relationships, mutually beneficial transactions and enhanced sustainable dialogue between states, peoples, non-state actors and cultures.
