PDF's are incredibly convenient and are easy to open and read by everyone, regardless of whether they have a PC or Mac. A PDF can be compressed into a file size that is easy to email while still maintaining the quality of the images. The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories.
