Making Popular Music Musicians Creativity This is a highly original and compelling exploration of how popular music is made. The role of the musician is often camouflaged by commercial and marketing pressures and by the common assumption that the music simply reflects the musician's personality. Drawing on a wide range of ideas from... Making Popular Music: Musicians, Creativity and ... He argues that what is needed is a sense of 'the radius of creativity' within which musicians work, an approach that takes into account both the embedded collectivism of popular music practice and the institutional power of the music industries. Drawing on a wide range
