It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free'

(free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

.

challenging the brain to think augmented and faster can be undergone by some ways. Experiencing, listening to the additional experience, adventuring, studying, training, and more practical activities may put up to you to improve. But here, if you complete not have satisfactory times to acquire the issue directly, you can take on a completely simple way. Reading is the easiest commotion that can be finished everywhere you want.
