products are multifunctional and  
cover 90% of conventional cooking  
applications thus reducing the need

and financial investment in traditional cooking appliances. Feel confident in your purchase, knowing RATIONAL has over 45 years of cooking research and development and more than 50% of global market share for multifunctional appliances. Rational - Comcater Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.

While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature

that you can read on the computer or on a variety of mobile devices and eBook readers.
