Resettling The Range Animals
Ecologies Resettling the Range
explores the ecology and history of
the grassland and the people who
lived there by looking closely at
these eradication efforts. In the
claims of “range improvement” and
“rational land use,” author John
Thistle uncovers more complicated
stories of marginalization: the
destruction of wild horses worked to
dispossess aboriginal people and
discredit their claims to land and
resources, while the campaign to
exterminate grasshoppers exposed
long-standing class ... Resettling the
