Shop Class As Soulcraft
Thorndike "Matt Crawford has written a brave and indispensable book. By making a powerful case for the enduring value of the manual trades, Shop Class as Soulcraft offers a bracing alternative to the techno-babble that passes for conventional wisdom, and points the way to a profoundly necessary reconnection with the material world. No one who cares about the future of human work can afford to ignore this book." Shop Class as Soulcraft: An Inquiry into the Value of Work ... Shop Class as Soulcraft is easily the most compelling polemic since *The Closing of the American Mind*.

Crawford offers a stunning indictment of the modern workplace, detailing the many ways it deadens our senses and saps our vitality. And he describes how our educational system has done violence to our true nature as

‘homo faber’. Shop Class as Soulcraft by Matthew B. Crawford ...
