Smarter Than You Think
How Whoever came up with the title for Clive Thompson's new book Smarter Than You Think got it wrong. Thompson's book is not so much about how technology is making us smarter, as it is about how technology is enabling those you who use it in new and creative ways to think more efficiently and (sometimes) more effectively. Smarter Than You Think: How Technology is Changing Our ... Smarter Than You Think reports on how the digital world has helped individuals harness a powerful, collaborative intelligence—becoming better problem-solvers and more creative human beings." Clay Shirky, author
