[William Dudley;] -- This book includes opposing essays on freedom of speech, the separation of church and state, national security, the Warren court and the due process revolution, and more. The Bill of Rights : opposing viewpoints (Book, 1994 ... The Debate over a Bill of Rights. Antifederalists argued that in a state of nature people were entirely free. In society some rights were yielded for the common good. But, there were some rights so fundamental that to give them up would be contrary to the common good. These rights, which should always be retained by the people, needed to be explicitly stated in a bill of rights that would clearly define the limits of government. The Debate over a Bill
