The End Of Men And The End of Men: And the Rise of Women is a book by journalist and magazine editor Hanna Rosin, based on her cover story of the same name that appeared in *The Atlantic* in 2010. It was published by Riverhead Books in 2012. In the book, Rosin argues that patriarchy is coming to an end. The End of Men The End of Men boils down to a handful of really significant statistics. Young women hold a 3 to 2 advantage in bachelor's degrees, are outearning men in their twenties, and are beginning to crowd men out of nearly all the major professions. The End of Men: And the Rise of Women: Rosin, Hanna ... And "the end of men"—the title of Rosin's *Atlantic* cover story on the subject—has entered the lexicon as dramatically as Betty Friedan's "feminine mystique," Simone de Beauvoir's "second sex," Susan Faludi's "backlash," and Naomi Wolf's "beauty myth" once did. The End of Men: And the Rise of Women In The End of Men and the Rise of Women, published in 2012, Hanna Rosin suggests that women tend to be "plastic," a metaphor for flexible and adaptive, and men tend to be "cardboard," a metaphor for rigid and lacking grit. The economy and culture have changed to advantage these plastic women relative men. The End of Men With so many young women succeeding academically, education is becoming feminized, and boys are left out. Or at least, that's the familiar complaint today, perhaps best known from Hanna Rosin's 2010 article for *The Atlantic*, "The End of Men." The thing is, this phenomenon goes back at least 150 years, as the education historian David Tyack and political scientist

Most of them had continued to work with their hands even as demand for manual labor was declining. The End of Men The End of Men resolution was just a flashy disguise for a chat about the rise of women. That is probably why no one objected when Rosin changed the premise in the middle of the discussion. It ...
