I hate this quote. Yes literally anyone can make 20-30% gains in a bull market. But can you make 200-300% gains? Gains. Are. Relative. Don't compare your gains against previous bear markets, compare them against the current market and if you truly did beat the market then you are a genius. Barely beating the market in a bull market isn't being a genius. submitted by /u/similiarintrests [link
