## **Organizational culture - Wikipedia**

Many scholars have documented the way information and communication technologies (ICTs) have been entwined with major changes in society since the invention of electrical telegraphy in the 1830s. For some, the early ICTs, as well as those stemming from the invention of the microprocessor in the late 1960s, are best characterized as being revolutionary.

## **Cross-Cultural Management - Management - Oxford Bibliographies**

The Oxford Handbook of Public Policy mines all the traditions of public policy. Public policy is the business end of political science. It is where theory meets practice in the pursuit of the public good. Political scientists approach public policy in myriad ways. Some approach the policy process descriptively, asking how the need for public intervention comes to be perceived, a policy

## **Institutional Theory in Organization Studies | Oxford**

According to George R. Goethals and Georgia J. Sorenson (2004, p. 126), leadership takes place within a social context and part of the social context is the organizational structure. And organizational structure will certainly influence individual behavior but individual behavior also influences organizational structure.
