For the employees

operating in the finance department, using accounting information is usually part of their job description. This includes for example preparing and reviewing various financial reports such as financial statements. Users of Accounting Information | Internal | External ... A key factor of accounting involves the transmission of financial information to anyone who may need the information. These people then use the accounting information to make business and investment decisions. However, in order to make proper decisions, the information being provided needs to be reliable and relevant. In financial reporting, we commonly encounter a phenomenon called information asymmetry. Financial
