Women Prisoners And Health Justice Incarceration severely affects the health and wellbeing of women both during their incarceration and following release, further complicating the health disparities they already experience as a consequence of gender, race and social class. The scope of this international problem remains largely hidden from health professionals and policy makers. Women Prisoners and Health Justice | Taylor & Francis Group Women Prisoners and Health Justice: Perspectives, Issues and Advocacy for an International Hidden Population 1st Edition by Dianne Hatton (Author), Anastasia Fisher (Author) ISBN-13:
